The image shows a mobile application interface for creating an account. The screen has a light beige background. At the top, the status bar shows the time as 9:00 and signal/battery icons. Below the status bar is a header area with a circular logo containing a stylized triangle and the text "Alzheimer Software". The main form area contains three input fields labeled "Usuario", "Correo electrónico", and "Contraseña", each with a horizontal line for text entry. Below these fields is a large, rounded, dark brown button with the text "Crear cuenta". At the bottom of the form, there is a link that says "¿Ya estás registrado? Haz click aquí". The entire interface is framed by a white border representing the phone's bezel.
